Cambridge Christmas Parade

A Cartoon Christmas

Sponsored by: Cambridge Main Street

Guidelines

These guidelines ensure a safe and enjoyable parade for all participants and spectators. The parade committee has the right to refuse or reject any unit from the parade.

Candy is encouraged, but for the SAFETY of all, **PLEASE DO NOT THROW CANDY FROM THE VEHICLES.** Have walkers passing it out to the children along the edge of the street (past parade line on street by sidewalk). This is for the safety of our children and those driving vehicles. Walkers must keep pace with float and use wagon/stroller for replenishment of candy supply. Candy thrown on ground by walkers must go past parade line.

All units, including Marching Units, **must remain in the parade for the entire route.**

There is a limit of 2 vehicles per entry unless additional fee per 2 vehicles paid. Maximum 4 vehicles.

All units must maintain a two-car length distance from the previous unit.

Units with sirens are asked not to use them and please use the lights only.

Liability insurance is the responsibility of each individual unit. A hold harmless waiver form must be signed by each unit holding Cambridge Main Street, City of Cambridge, Guernsey County Commissioners and the parade committee harmless of liability.

All units should have a holiday theme. Please decorate all pulling units as much as possible. All units should also be clean. Encouraged to use lights on all entries.

If you have horses, do not need to line up until 6:15 pm however you must register prior to 4:00 pm.

There is only one Santa in the parade. The Santa will be provided by the parade committee
